

Let's Talk Rubbish...

2,250,000
pieces of litter are dropped
in the UK every day even
though it is against the law.

PLACES LOOK UNLOVED AND UNCARED FOR

More than
7,000
animals each year
are hurt by litter.

It makes people
☹ feel sad, ☹
because it feels like
no one cares and no one
is paying attention.

If this plastic bottle was left in the
middle of your playground, it would
take 450 years to disappear!
